

Laryngectomee

Association of New South Wales

THE LARYNGECTOMEE ASSOCIATION OF NSW Inc.

Dedicated to the welfare of laryngectomees and those in a similar situation.

The Laryngectomee Association of NSW can introduce you to fellow laryngectomees to speak about day-to-day life as a laryngectomee. Seeing and hearing from someone who has undergone the same, or similar medical procedure as yourself, conducting their daily activities in a normal manner, may help you to resume your usual work, leisure, social and family activities.

Our Welfare Coordinator is also available to offer advice on laryngectomee supplies, or any other assistance you may require. Use the contact form on our website – lansw.org.au/welfare, or call 0410 196 890.

As a member of our Association, you'll receive regular email news bulletins, association updates, and helpful information.

The Association holds monthly meetings in the Sydney CBD, and other regional centres, where you can socialise with fellow laryngectomees in a friendly and safe environment. Details of locations and meeting times can be found on our website: lansw.org.au/meetings
